School Spotlight

Year 5 Mayflower Trip – On Wednesday 1st October, The Welsh National Opera invited our Year 5 children to the Mayflower Theatre to experience a concert of bird-themed music. Different members of the orchestra wore coloured tops to show who was in which part of the orchestra, such as Purple for strings and Yellow for woodwind, and the Opera Singers wore bird costumes whilst a film of Puffins, Curlews and Red Kites played on the screen throughout the performance. The concert was fantastic and all of the children enjoyed this unique experience, sending 'Thank you' letters to show their appreciation when returning to school.

Oakey Bear Willow Weaving – Last week, the children had the exciting opportunity to work with Chris from Oakey Bear to help create our very own willow sculpture on the school field. All children participated with creating the sculpture, providing the children with a permanent, fun environment to be used throughout the year. Everyone should be extremely proud of their efforts, listening skills and excellent teamwork. A big thank you to our wonderful PTA for making this happen.

Years R, 1 & 2 Rubicon Skateboarding & Scooters – On Friday 3rd October, our Infant children were visited by Rubicon, an organisation that provides children with the experience of learning skateboarding and scooting skills. The children talked about how to stay safe, keeping their balance and some simple yet fun tricks. Everyone thoroughly enjoyed taking part in the sessions throughout the day.

Year 3 Iron Age Workshop – Year 3 enjoyed their Iron Age workshop on Friday 3rd October. The children had fun dressing up in Iron Age outfits, learning about tribal structures, what weapons were used and learnt what life was like during the Iron Age. The children got to handle real furs, skins and armour used in battle. Thank you to “Experience the Iron Age” for providing a fantastic day!

Years 1 & 2 Milestone Museum Trip – Our Year 1 & 2 children stepped back in time at the Milestones Museum on Wednesday 8th October. This fantastic school trip provided the perfect setting for the children to explore life in the past, supporting their current history topic. The hands-on workshops were a real highlight, especially experiencing the different games and toys that children of days gone by used to play with. A huge thank you to the staff at Milestones Museum for making the day so enjoyable and to our parent helpers for their support. It was a wonderful day of learning, discovery, and fun!

Christmas Cards – This week, the children have started working on their Christmas card designs. They have had fun creating their festive artworks and we were very lucky to have Mrs Jones to come and help! Their designs can be made into cards, gift tags, gifts and wrapping paper. Please see the email sent earlier in the week for more details on how to order.
