Dear Parents

22<sup>nd</sup> September 2023

We would like to invite your child to Cross-country training on Tuesday and Friday lunchtimes. Training for the team will give them an opportunity to represent the school at inter school events.

We will start training by running twice around the field and will gradually build up our endurance distances.

It is important that your child show commitment if they agree to take part. We will expect them to have a change of footwear and PE kit in school on these days. They will also need a small towel because there will days when the field will be wet and muddy. Parents need to be aware that clothing will most likely become muddied.

Future inter school competition dates will be forwarded to you when they have been confirmed. It is likely help will be needed with transport on these occasions.

Kind Regards

Mr D Boyes and Mrs L Runcie
