

# Art Club

Dear Parents / Guardians

I'm delighted to inform you that I am continuing after-school Art Club at Fryern for Years 3-6. These sessions will run every Tuesday from 7<sup>th</sup> November – 12<sup>th</sup> December (6 weeks) and the times are 15:20pm – 16:30pm.

Cost for the term will be £24 which is equivalent to £4.00 a session. Throughout the term the children will learn different types of techniques and the use of different materials. Every young artist will receive a sketch book with personalised name, which will have to be brought to class each week.

Art can help your child's development by:

- Expressing feeling and emotions: This can be especially helpful for children that find vocabulary difficult.
- Boosts confidence and self-esteem: This will help them make their own independent decisions.
- Motor skills development: Helps with eye coordination and strengthening the hand.
- Encourages creativity and imagination: Helping individuals think outside of the box.

If you have any questions or you would like to sign your child up please click on this link -

Once your payment has been made, your place is secured.

Many thanks

Mr Nicol
