

Year 1 Home Learning Spring 1 – Our Wonderful World!

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from 'I enjoy reading, writing and speaking' and 'I enjoy being mathematical and scientific'.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.

HOMEWORK DUE: Monday 30th January 2024

Tick the box when you practise your times tables. Try to practise at least 3 times a week

	1 st January			8 th January			15 th January			22 nd January			29 th January		
Counting in 5s, 10s															
Tricky Words															

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Tell someone everything you know about dinosaurs.	Read a book at the library. Is it fiction or non-fiction?	Make list of a dinosaur's favourite dinner. Is it an herbivore (plant eater), carnivore (meat eater) or omnivore (enjoys both)?	Create a poster or fact file on a dinosaur.	Create a poem about a dinosaur or dinosaurs.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Count in 5's in a dinosaur voice.	Write all your number bonds to 20.	Create a dinosaur out of different shapes. Can you name them and describe their properties?	If one dinosaur had 3 toes on one foot, how many would 6 dinosaurs have? Make up some of your own number problems.	Create a camouflage background for a dinosaur of your choice.
I enjoy being creative, painting, drawing and visualising.	Create a dinosaur dance and perform it.	Create a dinosaur out of fruit to eat.	Mould a dinosaur out of a malleable material (things which can be transformed into different shapes and sizes such as clay, playdough).	Create a 3D model of a dinosaur.	Make a dinosaur jigsaw for your friend to make.
I enjoy being active and doing hands-on activities.	Can you move like a dinosaur? Can you use different speeds/movements?	How many dinosaur jumps can you do in a minute?	Make a dinosaur skeleton out of natural materials? E.g. twigs, stones.	Make a dinosaur puppet.	Collect materials from a woodland walk and create a dinosaur picture using your natural materials.
I enjoy finding out about the world around me.	Name and describe your favourite dinosaur and tell someone?	Go on Andy's Prehistoric Adventures website - https://www.bbc.co.uk/cbeebies/shows/andys-prehistoric-adventures	What is a fossil? Can you find or draw a picture of a fossil?	Research a dinosaur you don't know much about. What new facts have you learnt?	Watch a video of the way a dinosaur moves and compare it to an animal of your choice.
