

Curriculum Information for Parents

Year 3 – Autumn Term 2 2025

English

We will be delving further into our Curious Quest journey. We will be exposing the children to a range of skills for writing as well as securing taught skills in the first half of the term.

Maths

Our daily maths sessions this half term will include:

- Add and subtract numbers with formal methods and mentally, including:
 - A three-digit number and ones
 - A three-digit number and tens
 - A three-digit number and hundreds
- Add and subtract numbers with up to three digits using formal written methods
- Solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction
- Recall and use multiplication and division facts for the 2,5,10, 3, 4 and 8 multiplication tables
- Write and calculate mathematical statements for multiplication and division facts that they know, including for two digit numbers times one digit numbers using both mental and formal written methods
- Solve problems, including missing number problems, involving multiplication and division

Our daily mental maths sessions this half term will include:

- Times tables practice in a variety of ways
- Revision of previous learning

Life after Stone Age

Other Information

PE - Children will need to bring their PE kits into school where they will be kept. Please check they have suitable clothing for all weathers and that all items are named clearly. A waterproof jacket is essential. Please label the children's clothing.

Water Bottles - Drinking water regularly, throughout the day, hydrates the brain and helps your child to learn. Please ensure they have a named water bottle in school and that it is taken home and cleaned on a regular basis.

Reading Books – Your children will as always have access to colour banded books this half term. All children should be able to change their books independently but can ask for help when necessary. Library books can be changed on Thursday. Reading journals are checked every Thursday.

Home learning

Children will have a new selection of tasks to complete over a series of weeks. They will need to complete a certain number of tasks to achieve 20 points, however they will have a choice over which activities to choose.

Spellings

Children will be building on existing and learning new strategies to practise their spellings. They will be following the Spelling Shed games and activities in addition to learning their High Frequency spellings. Their login details can be found in their reading journal.

Reading

We would love children to read at least 4 times a week and complete a page of their reading journal by the end of each week.

Times Tables

We are all working hard at becoming more fluent with our times tables. Don't forget – we have Rockstar Times Tables to support children in practising their tables. Their login details are in their reading journals.

Our learning during this unit will include....

Computing

We will be creating our own stop-frame animations using the i-motion App.

PE

We shall be learning dance skills that will be incorporated into our Christmas performance. Outside P.E will be multi-sports, this will enhance their team building skills.

History

Our history will see the end of the Stone Age moving through to the Bronze Age and Iron Age.

RE

This term, we will be learning about 'Angels' and Christian views.

DT

We will be designing, making and evaluating Christmas stockings.

Music

Our music this half term will be learning all of our Christmas songs for our Christmas production.

PSHE

This term, we will be learning about what keeps us safe at home and school. This will also include how everyday health and hygiene rules and routines help people stay safe and healthy. We will also be completing weekly Happy Minds sessions.

Science

We will finish studying soils and then move to learning about solids, liquids and gases. This will involve having hands on experience and setting up investigations.
