

Curriculum Information for Parents

Year 5 – Spring Term 1 2025

English

During our English session this term, we will be exploring a range of text types including:

- Information texts
- Nature programme voice overs
- Thrilling stories

We will be reading the story 'Wolf Brother' by Michelle Paver and writing our own narrative, letter of advice, information text, instructions and sports commentary. Additionally, your child will take part in guided reading activities daily using a range of different, exciting texts where they will be expected to apply a range of reading skills.

Further to this, we will also continue to engage with our 'Let's Think in English' units to support deeper thinking skills and strategies.

Maths

Our daily maths sessions and mental maths this half term will include:

Multiplication and division

- Multiply up to 4 digits by 1 & 2 digits
- Divide up to 4 digits by 1 & 2 digits
- Divide with remainders

Fractions

- Multiply a unit fraction/non-unit fraction by an integer
- Multiply a mixed number by an integer
- Calculate a fraction of quantity

Number, decimals and percentages

- Decimals up to 2d.p
- Equivalent fractions, decimals and percentages.
- Thousands as decimals/fractions
- Round to the nearest whole number/1dp
- Explore percentages

Greeks

Other Information

PE Days – Our PE sessions will be inside on Fridays. Please check that they have suitable clothing for all weathers and that all items are named clearly. It is important your child has their P.E kit in school every day due to potential timetable changes. Please refer to the swimming letter for kit details and dates.

Water Bottles - Drinking water regularly, throughout the day, hydrates the brain and helps your child to learn. Please ensure they have a named water bottle in school and that it is taken home and cleaned on a regular basis.

Reading Books - Your child will have access to book banded books and library books. We will endeavor to change these regularly with the children. Library day is on a Friday.

Home learning

Children will have a selection of tasks to complete over a series of weeks. They will need to complete a certain number of tasks to achieve 20 points, however they will have a choice over which activities to choose.

Reading

Children are expected to read at least 5 times a week and complete a page of their reading journal. This supports their vocabulary and fluency reading skills and promotes a love for reading.

Times Tables

Children who aren't yet fluent in their multiplication tables will need to practise at home and will be given further support in school. Time Table Rockstars is a fantastic way to practise at home.

Spelling Shed

Log in to Spelling Shed and complete the tasks set by your teacher. It is important you practise your spellings and engage with the games.

Our learning during this unit will include....

History

In History, we will be studying the Ancient Greeks. We will look at written evidence and artefacts in order to find out what life was like in ancient Greek times.

Science

In Science, we will be looking at creating new substances. The children will be investigating states of matter and how they change. They will be looking at reversible and irreversible changes.

Computing

In Computing, we will be exploring filming techniques, creating video content, importing video content and editing.

PE

During PE, we will be swimming. They will be learning and practising a range of strokes. We will be responding to music and learning a sports Olympic dance.

Geography

Our Geography topic this term is Mountains. We will be looking at the physical and human importance of biomes. We will be looking at physical geography such as tectonic plates, formation of different rock types.

RE

We will be learning about the Hindu festival of Holi (devotion) and the Christian Eucharist (symbol).

Art

In Art, we will be exploring clay. We will be making a Greek vase linked to our history unit.

Music

Listening and responding to music about Frozen lands. The children will be creating their own melodies about frozen lands and mountains.

Spanish

We will continue to learn key vocabulary and phrases related to recycling and the environment.

PSHE

This term's key questions are:
How friends communicate safely?
How drugs common to everyday life affect health e.g. caffeine.
