

### Year 3 Home Learning Summer 1 – My Ace Place – Eastleigh

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from ‘I enjoy reading, writing and speaking’ and ‘I enjoy being mathematical and scientific’.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practise your times tables. Try to practise at least 3 times a week.

Times table practise																		

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
<b>I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b>	Create a wanted poster for a character in your reading journal. Include a picture and a description of them. Do not forget to include what crime they might have committed!	Pick your favourite poem and copy it out in your neatest handwriting.	Choose an overused word (happy, said, fun). Use a thesaurus to create a mind map of synonyms.	Choose a cake or a biscuit recipe and write your own instructions to make it.	Write a diary entry for your favourite book character.
<b>I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b>	Play a multiplication game using a pack of playing cards. For example: similar to snap but multiply the numbered cards together.	When on a journey, see how many numbers you can spot. Start from 1 and see how high you can go!	Log on to Rockstars Times Tables and earn at least 700 points.	Using as many 2D shapes as you can, create your own house. Label the different shapes you have used. (Do not forget about the right angles and parallel lines!)	Design and create a maths game that uses adding and subtracting.
<b>I enjoy being creative, painting, drawing and visualising.</b>	Create an interactive Easter card.	Design your own big top tent with an advert for the main event.	Design and make an Easter egg.	Create your own Matisse inspired collage out of different materials.	Design a spring outfit for a friend. Make sure to label the materials and colours you would use.
<b>I enjoy being active and doing hands-on activities.</b>	Plant some seeds or bulbs in your garden or pots. Photograph them as they grow.	Create your own dance routine. Include photos or diagrams.	Create a bird feeder out of recycled materials. Keep a record of the birds that visit it.	Make an invertebrate animal out of recycled materials e.g. a snail or insect	Create a magnet painting using a paper clip, magnet, paper and paint. Use the magnet to drag the paper clip through the paint to create a picture!
<b>I enjoy finding out about the world around me.</b>	Find where you live on Google Maps.	Pick an endangered animal you saw at Marwell and write a fact file about them.	Research Matisse's artwork. Record your favourites and explain why.	Find out about a zoo in a different country compare it with Marwell. How is it better or worse?	Create a travel guide to somewhere you have been on holiday or somewhere you would like to go.
