

Fryern Infant and Junior Schools Newsletter

1st October 2021

Covid

Due to the increased number of Covid cases across the schools, we ask that you do not send your child to school if they are displaying any of the three main Covid symptoms; cough, temperature, loss of taste and smell. However, some children have displayed other symptoms such as sore throats, headaches and feeling generally unwell. If you are in any doubt please test your child before sending them to school. If your child displays any one of the three main symptoms, we ask that you please take them for a PCR test and wait for a negative result before sending them in.
