Baby Runcie

We are delighted to announce that baby Evie Rose arrived safely at the start of October. Congratulations to Mrs Runcie and her family.

Face Masks

A number of people have voiced concerns over the lack of face masks being worn, especially as case numbers in the Eastleigh area are increasing. Although face masks are not mandatory outside we would encourage them to be worn when social distancing can't be easily maintained, such as on the playground during drop off/pick up.

Year 7 Applications 2021

The national deadline for applications for Year 7 2021 is 31st October 2020. Please submit your application before this date as late applications will not be considered until all on-time applicants have been awarded a place.

Dinner Menu Change

Every Thursday the Vegetarian option will now be vegetarian wellington. Apologies for another change but this is due to a stock issue within the kitchen.

Parent Consultations

Parents evening will be taking place by phone calls this year. The teacher will aim to call you within your preferred time slot. Telephone calls will be 10 minutes maximum. The call may come from a withheld number - please ensure you accept this. If you do not answer we will try again within your time slot. Please do not contact the office to advise you have missed the call as the telephone lines will be busy while teachers make the outgoing calls. If we are unable to contact you a second time you will be contacted at a later date to rearrange another call. If you still need to book an appointment please contact the school office.

Year 1

On Tuesday 3rd November Year 1 will be launching their new topic 'I Can Sing a Rainbow'. The children can come to school dressed in different colours like a rainbow, all in one colour or even different shades of one colour.

The Bike Doctor

Bike-It-Ray will be in school on Tuesday 20th October to answer any cycling questions you may have. He will be by the junior bike sheds from 8.15am, so bring your bikes and scooters into school for a free maintenance check.

Reminders for Year R

We have a few Year R children bringing juice in their water bottles and sweets in their lunchboxes (like Starburst). Please only provide water to drink, sweets are not allowed in school.

We also have a few girls wearing necklaces which are not allowed and some children still not bringing in coats. Year R spend a lot of their day outside so please ensure they have something warm to wear.

PE lessons have now started this week, if your child has their ears pierced please remove them on PE days or cover them with Microporous Tape.

Missing Cardigan

A child in Tigereye Class is missing a brand new 28inch cardigan, please check at home in case it has been taken by mistake.

Parking

Please do not park on the yellow zig-zag lines outside of the school gates, even if you are just stopping for a second to drop off. It makes it incredibly difficult for parents and children to cross the road safely. Traffic Wardens have been giving out tickets over the last few weeks to anyone stopped on the zig-zags.

Let's Celebrate Fryern Infant School...
