Obsidian - Monday and Wednesday

#### Year R

After half term Reception will be starting their new topic 'Food and Shopping'. On Tuesday 3<sup>rd</sup> November we would like the children to come into school dressed up as something related to food and shopping, this could be a shopkeeper, a greengrocer, a baker or even as their favourite fruit or vegetable.

#### Pathway

Over half term the pathway that leads past the middle playground will be extended around the back of the Year R playground.

#### School Dinners

After half term school dinners will increase to £2.50 per day for junior children. Infant dinners will remain free of charge.

### **Spare Clothes**

We still have a number of children who don't have any spare clothes in school. Please ensure that after half term your child brings in a bag containing a change of clothes (does not need to be uniform, old home clothes are fine) which can be kept in school. You can also supply a jumper/sweatshirt for them to wear over their uniform if they are getting cold in class.

### **Free School Meals**

Some of you may have been following Marcus Rashford's free school meals appeal on Twitter. You may be interested to know that number of restaurants, cafes and food outlets in Southampton are supporting his initiative over the half term holiday for those entitled to free school meals. Follow him on Twitter for more updates.

### **Every Poppy Counts**

The Poppy Appeal is the Royal British Legion's biggest fundraising campaign held every year in November, the period of Remembrance.

Every year volunteers distribute over 40 million poppies to help their vital work in supporting the Armed Forces community. Due to COVID-19 this year, many of the volunteers are unable to help.

One way we can get involved from home is to colour in a Poppy Poster and display it in a window. Official British Legion posters are now available from the office for a £1.00 donation to The Poppy Appeal. They make a fantastic rainy day activity for the children to enjoy during half term.

### **Hampshire County Council has asked us to share the following important public health message with you all:**

Coronavirus infections are continuing to rise, and Hampshire is on 'Medium' COVID alert level.

We need **your help** to stop the spread of the virus, so please continue following national public health guidance this half term.

Remember 'hands, face, space' and the Rule of 6: which means no large gatherings indoors or outdoors. Let's all work together to Keep Hampshire Safe.

### **Year 7 Applications**

The national deadline for applications for Year 7 2021 is 31<sup>st</sup> October 2020. Please submit your application before this date as late applications will not be considered until all on-time applicants have been awarded a place.
