Harvest Video

This year's harvest video will be shared by google classroom early next week.

Year 1 children will receive logins and instructions for this on Monday. Year R will be able to find the video on tapestry.

Christmas Cards

The Christmas Card Shop has been extended to Saturday.

Collecting children

If you are collecting your child early for an appointment please arrive at the office 5-10 mins earlier than you need them. This will allow the office staff time to gather the children and their belongings from their classroom. Unfortunately we are unable to have them ready and waiting.

Infant reading scheme books

We are currently reorganising our reading books so that they are matched to our phonics scheme. This is a huge undertaking as in line with the latest department for education recommendations, the reading books will no longer be organised using a banded approach. Each book is being checked to see which sounds and tricky words it contains and then grouped accordingly. We have started with pink, red, yellow and blue books so if your child is reading a different colour to this they will not be affected at the moment.

For now:

- please return any colour books (pink, red, yellow, blue) that you still have at home
- continue to share your child's library book
- continue to read any other books you have at home

A Message from Eastleigh Basic Bank

On behalf of the Trustees of Eastleigh Basics Bank, I am writing to express our thanks for your wonderful donation of food to us! This very generous gift will be used to support those experiencing food crisis in the Eastleigh area.
