Parents Powerpoint

The county's parent support advisers have created a powerpoint for parents, covering a range of topics and questions they may have from sleep to positive parenting routines and beyond. All things familiar to families but which may have been impacted or exacerbated further by the lockdown situation and which in turn may have affected the wellbeing of the parent and child.

You can find the powerpoint on our school website under Parents/Helpful Links

Help for Domestic Abuse

Victims of domestic abuse can #askforani in pharmacies to get immediate help and support. By using the codeword at Boots at supporting pharmacies, they will be offered a private space, a phone and access to support services. #YouAreNotAlone

Sickness

In keeping with government and school guidance, if your child has a sickness or tummy bug they will need to stay home for 48 hours after the last bout. Please ensure you phone into the office to notify us of this absence. This is for the safety of the children and staff.
