Children Mental Health Week

February 1st-7th is Children's Mental Health Week and this year's theme is 'Express Yourself'. Expressing yourself is about finding ways to share feelings, thoughts or ideas through creativity. This could be through art, music, writing and poetry, dance and drama, photography and film and doing activities that make you feel good. One of the activities we would like to do in recognition of this week is for children and adults (at home and in school) to dress in a colourful outfit on Friday 5th February. This could be your favourite colour or a range of colours that express how you're feeling.

If you are able to we would also like to ask for donation for Place2Be which is the UK's leading school-based children's mental health charity.

The link to the donation page is <https://justgiving.com/campaign/CMHW2021>

Thank you in advance for supporting this fantastic cause.

Breakfast Club & After School Club

If you haven't yet paid for your sessions up to the closure of the clubs on the 6th January, please log in to your SCOPay account and settle these before the end of the month to avoid a £10.00 late fee.

Many thanks

Social Media

Please keep a careful eye on your child if they have access to TikTok or Snapchat. We have been advised by the police that some primary aged children have been approached through these sites and encouraged to send /receive images.

Winter Reading Challenge

A video all about the Hampshire Libraries Winter Reading Challenge is now available on the Hampshire Libraries YouTube channel and via the Kids' Zone section of the library website. More than a thousand Hampshire primary school children have already begun the Winter Reading Challenge which will finish on 27th February 2021. This year it's all about getting cosy together to share the love of reading. Children need to read or listen to any four books which can include books they read or listen to together, bedtime stories, non-fiction books, ebooks and audiobooks.

Every time they finish a book, they fill in an online Winter Reading Challenge reading record. Children's ebooks and audiobooks are free to download using Hampshire Libraries BorrowBox service, with lots of titles always available without a wait. To use BorrowBox, you need a library membership number and PIN. There are links to some of our recommendations on the Kids Zone webpage as well as information about downloading ebooks and audiobooks. Children who can't easily access ebooks and audiobooks online can also use Hampshire Libraries new Ready Reads

click-and-collect service to borrow books. Library staff will regularly handpick a selection of books for those that request the service to collect from the entrance of their local library. Teachers, parents and carers will find more details about the Winter Reading Challenge on the library service's new Kids Zone website. Children can register to take part online and keep a record of the books they've read. A collector's sticker folder is also available for those children who can't easily access online services. Children will be emailed a completion certificate when they've reached a total of four books in their Winter Reading Challenge reading record. They'll be sent emails along the way when they add new books to their reading record. If children aren't already a member of Hampshire Libraries, they can join to take part.

Let's Celebrate Fryern Infant School...

Growth Mindset

Lion	Elliott H, Rebecca M & Willow M
