

Fryern Infant and Junior Schools Newsletter

12th March 2021

The End of the Financial Year

We are fast approaching the end of the financial year. Please pay outstanding monies to the school office as soon as possible with the exception of Grange Hall and Stubbington. Dinner money, where possible, should be paid on Monday morning for the week. Thank you

Drop Off

Just to clarify, if your child's drop off time in the morning is 8.40am you are able to bring them in anytime from 8.40am right up to the start of day at 8.50am, you do not have to bring them at 8.40am. Likewise, if you drop off time is 8.45am, you can drop off anytime between 8.45am and the start of the day at 8.50/8.55am.

Face Masks

Please can we ask that parents & visitors who come inside the school building wear face masks when possible. Although face masks are not mandatory outside we would encourage them to be worn when social distancing can't be easily maintained, such as on the playground during drop off/pick up. Thank you.

Start and End of the Day

As you are aware there is minimal outside space available due to the junior school rebuild. We ask that where possible only one parent comes on to the playground at pick up / drop off with your child.

There is a new one-way system for moving around school – please see a previous parentmail for the new map. Please observe social distancing measures when on site.

Communication

We thought it would be useful to remind parents of the different ways we share information and communicate with parents. These include:

Weekly newsletter

- Every Friday there is a school newsletter which contains key information as well as celebrating children who have been awarded head teacher awards or growth mindset, worker of the week or reading certificates.

Parentmail

- If you are no longer receiving parent mail messages, please contact the office to ensure that they have your correct contact details.

School Website

- Please continue to check the website for policies and other key school information

School Twitter account

- This is updated with highlights from the school curriculum

We would like to remind parents that there are several different ways that are available to them if they wish to communicate with the school including emailing or phoning the school office, speaking with the class teacher, writing a letter to the teacher or membership of the senior leadership team.

Please note that as we have returned to school, teachers will not be checking Google Classroom on a daily basis. If you need to contact your child's teacher, you can do so via the school office. We will then be able to arrange a zoom meeting or phone call. Thank you.
